

Instructions for making 2% Tax Donation to Bratislava International Church

The Slovak government allows all taxpayers to designate 2% of their annual taxes to a charitable organization of their choice. Supporters of BIC are able to make a contribution to our registered NGO, Dobré Správy (The Slovak government requires small, independent religious communities set up a separate NGO to conduct business, according to Slovak Law. We ask that you consider designating your 2% to support BIC's ministry! Friends and associates may also contribute, and so if they do not have a NGO to support, ask them to consider making their designation to BIC! If you have questions, please contact Pastor Aaron or Peter Laursen (bratislavainternationalchurch@gmail.com)
